**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please maintain a competitive environment for broadband. I use sonic for my internet provider in Albany, California. Up until this year Ive always been forced to use Comcast or at&t where youre charged more for less and charged for equipment. Just last year sonic and LMi arrived on my block and we were ecstatic to change to sonic. Even had to pay a fine to leave Comcast. Its fine, because The reduced cost in monthly price with sonic have already paid off the extra charge for leaving early.

In addition, also in the past year it appears that the giants are installing fiber to compete with sonic.

Please, there is absolutely no reason to limit competition. Its imperative to american ways.
